Appendix A contains NWEA’s assessment vocabulary for reading, language usage, mathematics, science concepts and processes, and general science. Within each subject area of DesCartes, vocabulary is included in the first RIT Score Range in which they apply by your goal areas. The RIT Score Range here indicates when the corresponding group of words may need to be introduced into the curriculum for this subject area based on all NWEA data.

## Reading

### RIT Score Range: 141–150
- beginning sound
- letter
- narrative

### RIT Score Range: 151–160
- ABC order
- book
- ending sound
- paragraph
- prefix
- report
- rhyme
- riddle
- sentence
- story

### RIT Score Range: 161–170
- advertisement
- base
- compound word
- contraction
- directions
- fairy tale
- folk tale
- index

### RIT Score Range: 171–180
- announcement
- article
- atlas
- author
- author’s purpose
- bias
- biography
- business letter
